* Lamis' Southern Politics in the 1990s contains helpful sections on Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia politics. As such, those of you choosing to write on the status of the political parties in one of these states may want to utilize this resource.

** Bailey's edited volume, Campaigns and Elections: Contemporary Case Studies, contains descriptions of recent elections in the following states: Alabama, California, Georgia, Kentucky, Louisiana, Nebraska, Massachusetts, Minnesota, New Jersey, New Mexico, New York, Oregon, South Dakota, Tennessee, Washington, Wisconsin. As such, those of you choosing to write on the status of the political parties in one of these states may want to utilize this resource.

*** Bullock & Rozell's edited book, The New Politics of the Old South, 2nd ed., is a state by state analysis of the political culture of the eleven states of the Old Confederacy and may be particularly useful in explaining the current politics of a state in a region that has undergone radical transformations in the last half century.
